

FormaTrade

Sectoral Solutions with Precision Manufacturing Technologies

CAD – CAM – CAE TOOLING MOLDING DESIGN PRODUCTION

Join us on this journey of engineering excellence at Forma Trade, where precision meets passion, and innovation knows no bounds.

Welcome to Forma Trade a trailblazing force in the realm of engineering excellence. With a rich legacy, we stand at the forefront of innovation, specializing in the design and manufacturing of cutting-edge technology tools and molds. Our unwavering commitment to precision, quality, and technological advancement has propelled us to the pinnacle of the industry.

At Forma Trade we take pride in our dynamic team of skilled engineers, visionaries, and craftsmen who collaborate seamlessly to bring forth unparalleled solutions. Our expertise extends across a diverse range of industries, and our high-precision tools and molds have become synonymous with reliability and efficiency.

In a rapidly evolving technological landscape, we have consistently embraced innovation to meet the ever-changing needs of our clients. Our state-of-the-art facilities and advanced manufacturing processes underscore our dedication to delivering products that not only meet but exceed industry standards.

We reflect on our journey with gratitude for the trust our clients have placed in us. With an eye on the future, we remain committed to pushing the boundaries of what is possible, setting new benchmarks, and continuing to be the driving force behind technological progress.

Who We Are

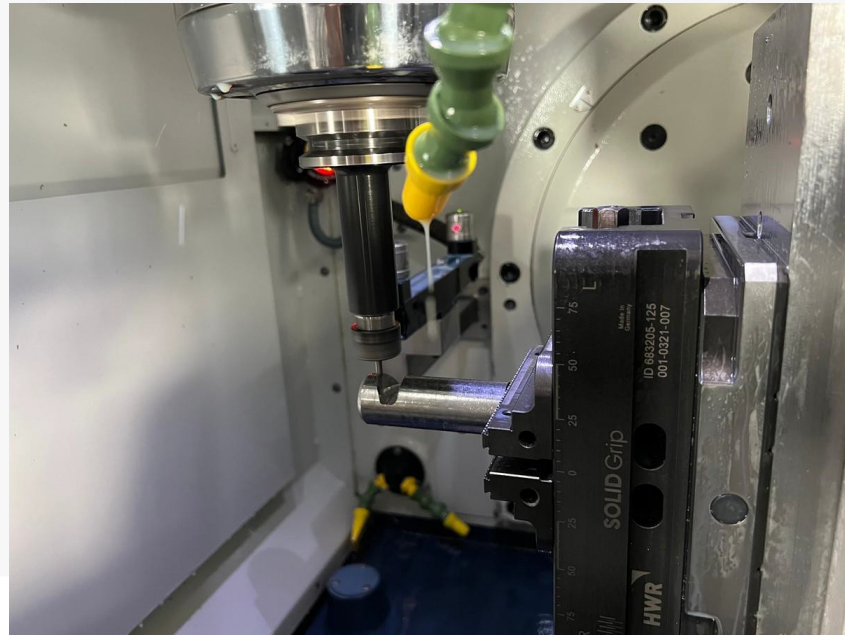

FormaTrade

Progressive Mold
Manufacturing Lamination
Mold Manufacturing Sheet
Metal Cutting Plastering
Molds Extrusion Molds
Manufacturing

Production of special parts, apparatus and fixtures, Prototype studies, Production of special machine parts, Steel forging molds, Plastic injection molds, Blow molds, Concrete and stone molds, Rubber molds

Our Services

*Mold writing on the desired places,
shape and brand processing,
Pipe and fittings molds.*

Designing

Cimatron (CAD/CAM/ Tech
Drawing / Assembly)
AUTOCAD
INVERTOR
TOP SOLID
FUSION 360

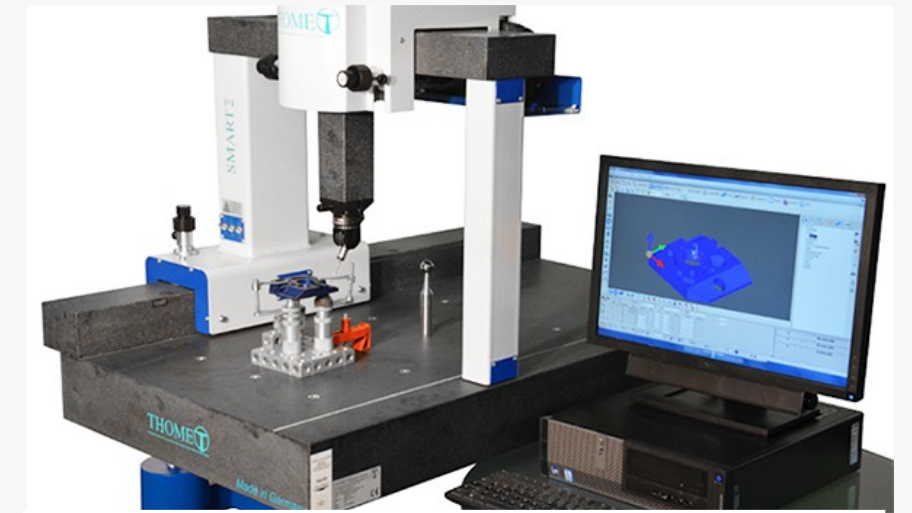

CNC Parkour

We catch the trends of the day with our Machine parkour that is renewed day by day.

Prototyping

3D WRITER, BASIC MOLDING

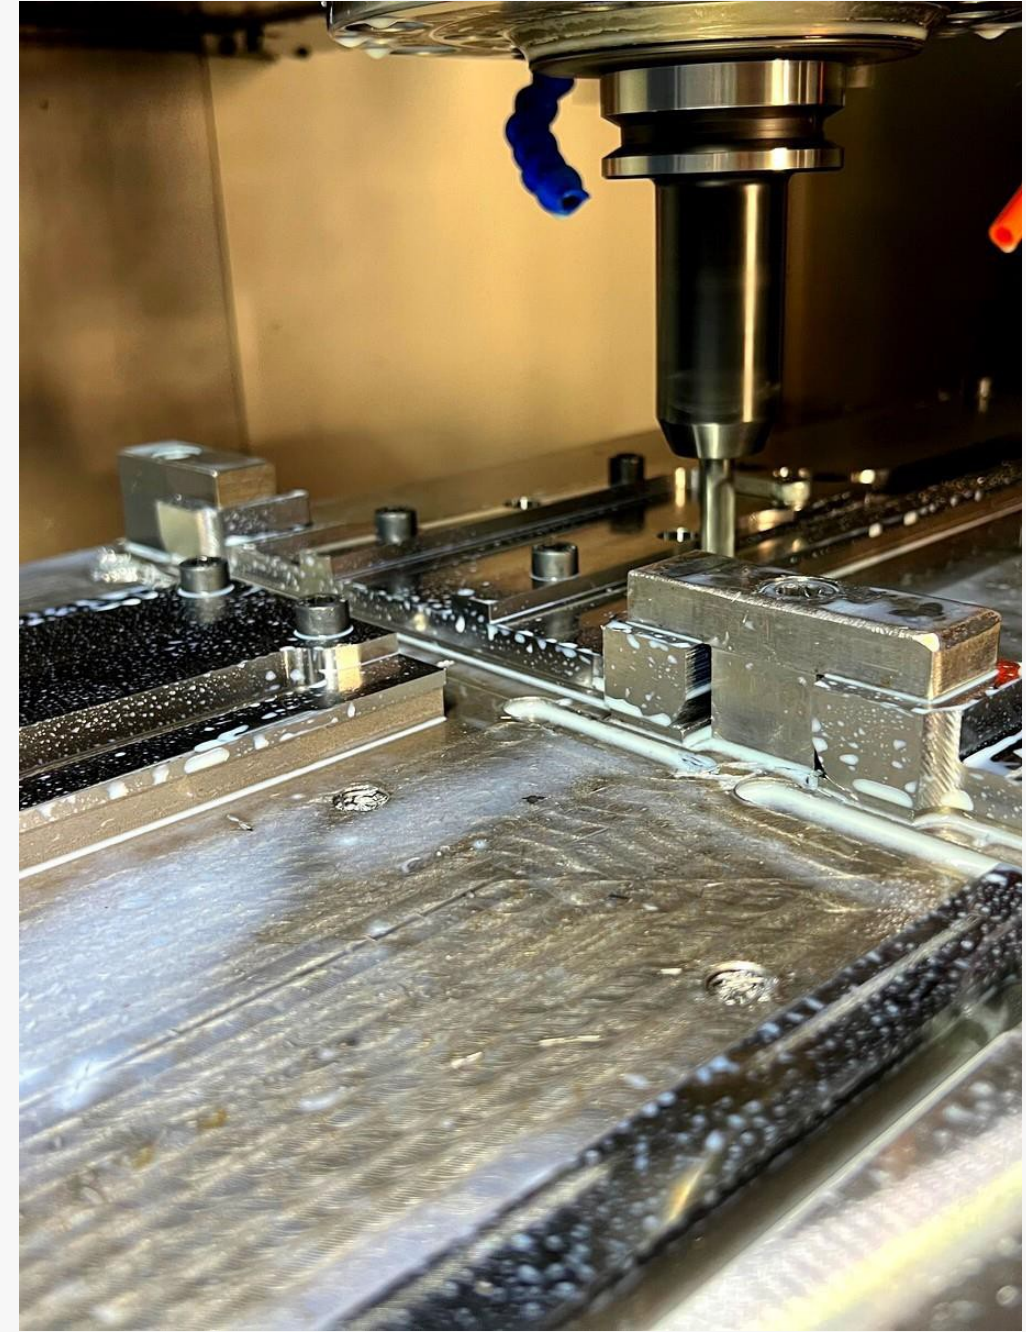

Quality Assurance

The items produced are controlled by experienced technicians by frequencies indicated by customer or international standards.

FormaTrade

Machine Parkour

Machine	Origin	Dimensions	Quantity
DMG MORI M1 4-axis Vertical Milling Machine	German	550x500x510 10.00 RPM	1
SPINNER 4-axis Vertical Milling Machine	German	1150x650x650 10.000 RPM	1
DMG MORI 3-axis Vertical Milling Machine	German	635x520x520 10000 RPM	1
C TEK Vertical Milling Machine	Taiwan	1500x650x650 10.000 RPM	1
MITSUBISHI Vertical Milling Machine	Taiwan	2000x870x710 10.000 RPM	1
BOHRWERK WORKBENCHES	German		2
LATHE			1
MOULDER MILLING MACHINE	Taiwan		2
TAPPING MACHINE	Turkish	Up to M24	1
TOOL and PANTOGRAPH GRINDING MACHINE	Turkish		1
DRILL			2
SINKING EROSION MACHINE - AJAN	Turkish		1
CNC SINKING EROSION MACHINE	China		1
Shiring Haimer	German		1
CMM MICROSCRIBE	Unites States		1
CMM ABERLINK AXIOM TOO CMM	United Kingdom		1
